Hi Nick,

Thanks for the note! I appreciate your thoughtfulness. It was nice having you in class and meeting with you regularly, one of the highlights of the semester for me. Hope to see you in class again.

Stay in touch!
Taylor

Hi Taylor,

I hope your break has been going well! Thank you for being such a great professor this semester. I was nervous coming into Econ Data Analysis because I had little experience with Python or data analysis, but you helped make it easy to understand for beginners. I also appreciate how many of the skills we learned will apply to my future classes. Finally, thank you for being so understanding when I had to miss office hours because of my busy schedule — I appreciate it. I hope I have the opportunity to take another one of your classes in the future!

Best,
Nick
